THE RISE OF A LEGEND

Set to grace the skyline of the main Canal Road with its commanding presence, Zameen Phoenix welcomes investors to a world of investment opportunities. The project features 84 impeccably crafted apartments with access to four convenience shops and designated underground parking with additional secure storage rooms.

Twelve floors of spacious living, coupled with unrivalled amenities and services, make this a project of legendary status.

LEGENDARY STATUS

An ode to a mythical bird, the building ravishes in its location, through a winged façade that poetically unfurls towards the higher floors. The simplicity of the façade maintains an effortless design aesthetic that continues through the internal spaces. The light installation within the winged element acts as an iconic feature that not only highlights the project but allows for a continuously illuminated façade too.

The flagship Zameen Developments project boasts an exceptional concept and occupies a prime plot with unobstructed natural views. Inspired by the bird that dwells near a cool well, the development is truly poetic – and fittingly well-suited to the canals legacy.

REGAL ESSENCE POETIC FORM
